For high-speed, high volume productivity, the Konica Minolta bizhub 500 leads the way in value. It's a fast, powerful, flexible B&W solution for workhorse output to keep costs down and information flowing. It's also a central document resource that puts you at the hub of your business – scanning and sharing, printing and copying, networking and communicating with seamless ease and enhanced security.

And it gives you modular, cost-effective options for booklet-making, stapling and hole-punching, even Super G3 fax for all-in-one performance. If the bizhub 500 sounds good now, wait until it goes to work on your workflow!

- Powerful 50 ppm B&W output

- Simitri® Polymerized Toner for more fine detail

- Rapid Scanning– up to 70 originals per minute

- Simple Operation, Tilting Control Panel

KONICA MINOLTA

Optional Accessory pricing includes installation/set-up charge.

If the optional item is added after the base machine is installed, 40% of the MSRP for that optional item will be divided by the number of months remaining on the base machine. This number will then be divided by the last 12 month's average monthly volume to determine the factor to be added to the base cost per copy for the balance of the contract.
